

## High Standard/ PPE

Have an expert team trained to high International standards.

*Reducing and eliminating contamination risk. We use masks, gloves and cover-alls at work.PPE*

## Safe Working

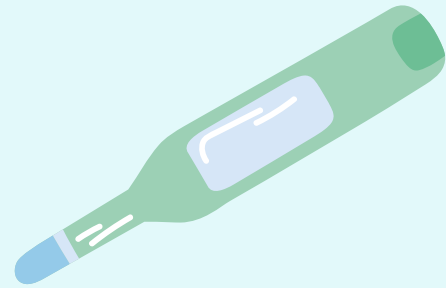

Its getting hotter and we are spending more family hours in the home. in fact over 90% of our time.

*Indoor air quality is vital for good health. Breathe in better air after a FixPro clean.*

## Regular Staff Checks

We screen our staff day and night. To ensure good health and wellbeing of our staff.

## Safe Working

We have been vigilant, for many months now, we implemented standards well ahead of Covid-19.

*Stepping up on sanitization: Our office, vans and equipment are clean and sanitized on a daily basis.*

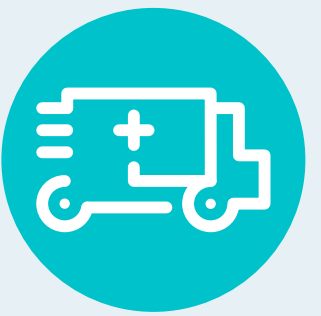

## FixPro Sanitizing

Equipped with state-of-the-art technologies and knowledge ready to advise and help you.

Natural Products: Approved by EPA and FDA.

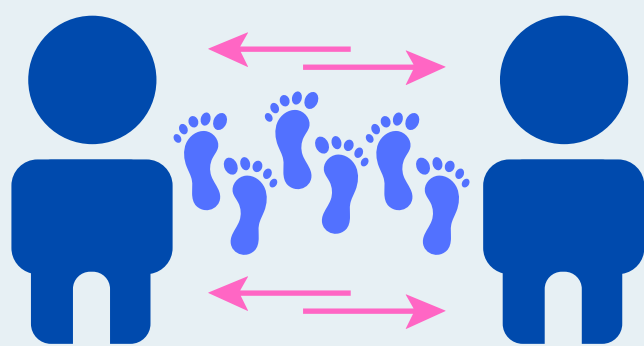

*All our products are natural, organic, non-irritant and kills 99.9% of the germs and viruses including: viruses, influenza, Legionella, E-Coli, Salmonella or MRSA.*

## Social Distancing

We maintain at least 1 meter (3 feet) distance from inhabitants of the home.

*Leave us to do a great job for you.*

## Some people call it OCD, we call it love for what we do.

We are perfectionists, idealists and we want people to have a healthier, cleaner life full of wellbeing.
